Tags: railroad track lgb gscale gauge1 crossover humetrack

There is something mesmerizing in the sound of railroad car wheels clicking as they pass through the diamonds of railroad track crossovers.

Here is a crossover section for use with the Hume track system. See https://www.printables.com/model/902291-snap-together-gauge-1-model-railroad-track

for the parent project.

This model is designed to be printed in PETG without supports.
